

## Women Meet Together

1. Women's rights is a human rights both are equal (men & women), where there is life there is value, there is dignity regardless classes, although they are poor or rich all is valued that's right.

..... women's rights ..... we meet together ..... We have solidarity ..... we struggle for our rights that's right.

2. What are we? We all are women we sing together to show our solidarity, we have to stand up and speakout, do not stand still, to demand our freedom that we should have, that's right.

..... women's rights ..... we meet together ..... We have solidarity ..... we struggle for our rights that's right.

3. We are enthusiastic because we met together, we understood together, on behalf of we are women, although we are poor or rich, have a job or engage any other business, but we all are women, we have to help each other to promote our rights..... that's rights.

..... women's rights ..... we meet together ..... We have solidarity ..... we struggle for our rights that's right.

4. We meet together to make only one heart/voice, to promote women's rights to be respectful, to be equal as men and bright full, have freedom for all races, .... That's rights.
