

# SEX WORK IS WORK

1- Even though we are bar girls, we wish to live like other people

We want to have freedom and rights in society

We do not want to be looked down upon and called bad girls

What has we done wrong?

What we do everyday is to support our families.

2- Even though we are sex workers, what is wrong with that?

We just sell our bodies

We do not steal or rob anyone,

No law says that we are wrong

Sex work face suffering everyday

We earn one day for one day's survival

Why police arrests us?

R Sometimes we meet cruel gangster who treat us badly...

If you were us, what would you think? Stop insulting us!

No one wants to choose this way of life.

We have no choice (twice)

We demand justice because we all human beings, even though we are different nationalities, we need life that is valued.

We want to tell you that "Sex Work Is Work"
